

# NORTHWEST TRAINING AND TESTING SUPPLEMENTAL EIS/OEIS FOR TRAINING AND TESTING ACTIVITIES BEYOND 2020

The Navy welcomes your input!

The U.S. Navy invites you to participate in the National Environmental Policy Act public involvement process for the Northwest Training and Testing (NWTT) Supplemental Environmental Impact Statement/Overseas Environmental Impact Statement (EIS/OEIS).

The Navy is preparing a Supplemental EIS/OEIS to assess the potential environmental effects associated with ongoing and future at-sea military readiness activities conducted within the NWTT EIS/OEIS Study Area beyond 2020.

The Navy is requesting your comments on the scope of the analysis to be considered during the development of the Draft Supplemental EIS/OEIS.

You can participate in the public involvement process in the following ways:

- Visit **www.NWTTEIS.com** to learn more about the project and submit comments online.
- Mail written comments to:  
Naval Facilities Engineering  
Command Northwest  
Attention: NWTT Supplemental  
EIS/OEIS Project Manager  
3730 North Charles Porter Ave.  
Building 385  
Oak Harbor, WA 98278-3500

Comments must be postmarked or received online by **Sept. 21, 2017** for consideration in the development of the Draft Supplemental EIS/OEIS.

## Proposed Action

The Proposed Action is to conduct at-sea training and testing activities within the Study Area. Activities include the use of active sonar and explosives while employing marine species protective mitigation measures. Proposed training and testing activities are generally consistent with those analyzed in the 2015 Final EIS/OEIS and are representative of activities the Navy has been conducting in the Study Area for decades.
